

Affiliate Cadre'

BECOME A FELLOW EQUITY ENABLER

What's The Affiliate Cadre'?

Imagine meeting an outstanding and impactful fellow thought leader that you'd love to collaborate with and introduce *your* clients to. Then imagine that you meet another, and another, and yet another likeminded, equity-centered leader who thinks your work is pretty amazing too, and they want to share your genius with *their* clients.

Next thing you know, you're able to offer exclusive discounts to *your* affiliates to refer their clients to you, and you're sending them an incentive for those referrals.

You've expanded your cadre' of experts you'd be proud to affiliate with, you've grown the resource base you can confidently expose your clients to in areas outside of your wheelhouse, and you've created another passive revenue stream to thank them.

THAT's my Affiliate Cadre' in a nutshell. Membership is by invitation-only, if you're interested in joining please click [HERE](#) to schedule an Introduction to discuss how we can work together to advance equity!
